### **About Children's Discovery Museum of San Jose**

Kids lead the way at Children's Discovery Museum of San Jose, exploring and discovering through open-ended, play-based learning. More than 150 hands-on exhibits and programs in sciences, humanities, arts, nature, and health spark curiosity and ignite family fun where children build life skills in creative and critical thinking, problem solving, and confidence. The nonprofit celebrates people and diverse cultures, creates authentic connections, and builds global understanding.

Welcoming more than 10 million visitors since 1990, the award-winning museum inspires creativity, curiosity, and lifelong learning inside the stunning 50,000 square foot purple building designed by the late world renowned Mexico City architect Ricardo Legoretta, and outside in the half-acre nature space.
